Example

G2M and Summer Learning Experience

Day 1: Welcome

Days 2-7: Every other day field trips; every other day learning at school

Days 8-13: Swimming Lessons and Gym Activities

Days 14-19: Every other day field trips; every other day learning at school

Day 20: Wrap-up and Celebration

Core Principles

1. Increase and enhance the scope of traditional summer school.
2. Target participation by students who would benefit the most.
3. Strengthen systems-level supports through community-wide partnerships and coordination.
4. Provide innovative professional development for staff.
5. Embed summer learning into the district's school-year operations.
