Dear School Board and Superintendent Guardipee-Hall;

Tuesday, May 5, 2020

During the month of April school was taught online and by using student materials already at the school. We've been using Google Meets to have meetings with students. Our students have also been having counseling and special ed services via Google Meets weekly.

Graduation is going to be May 27 at 9 and 10:30 am at Glendale and Big Sky. We are very limited to group size and will be having less than 10 people attend. The graduates are excited for graduation. There are three at Glendale and two at Big Sky. Normally, we would have a reception after graduation. Unfortunately, this is going to have to be postponed. Like the graduating class of 2020 in the rest of the nation, the graduates of Big Sky and Glendale will miss out on some events, but we're going to make the best of the situation. We will invite more people to the reception when social distancing restrictions are less stringent. We thank the school district for trying to keep everyone safe during this time.

Staff at both Glendale and Big Sky have been in communication with the German teachers, students, and parents at the colonies. At the colonies the German Teachers are also the gardeners, and they are busy with their jobs. The time they have put in to help get our students their work is greatly appreciated by the staff, parents, and students.

In the Fall, Nancy Light will be teaching at Big Sky. We are looking forward to having another teacher join our staff and have welcomed her. She will be an asset to our team.

Please stay safe.

Thank You,

Big Sky and Glendale Staff  
Mrs. N. Siliezar Principal-Teacher  
Ms. Cindy Show-Teacher  
Mrs. Ellen Christoferson- TA
