**Subject:**

Franklin Covey Contract Renewal and Update for Leader in Me

**Background:**

The contract for Leader in Me is up for renewal. The proposed agreement is a four-year contract designed to support the Vision 2030 goal of having all elementary campuses become Leader in Me campuses by 2030. Funding for this contract will be provided by the Kern Foundation and the Clear Creek Education Foundation. The contract consists of two parts. Part 1 includes Kern Foundation grant funding to supplement three years of onboarding expenses. Part 2 covers the sustaining membership fees for existing campuses. Please note that any references in the contract to services provided “upon delivery” or “upon receipt” do not apply, as we do not utilize those services or incur those associated expenses. To support expanding training needs, we will provide stipends and training for three additional internal Franklin Covey coaches.
