

ALEDO ISD BOARD MEETING TEMPLATE

Meeting Date: November 17, 2014

Agenda Item: Consider the proposed revisions the Aledo Education Foundation/ Aledo ISD Memorandum-of-Understanding.

Presenter: Derek Citty, Superintendent

Aligns to Board Goal(s):

3.3 The district will be an involved member in appropriate civic, municipal and charitable organizations in the Aledo ISD Community.

3.4 The district will provide public communication forum opportunities and continue to work with the members of the community to garner support for the mission and goals of the district.

5.5 The district will identify and pursue new revenue opportunities.

Background Information:

Due to the success and growth of the Aledo Education Foundation (AEF), an initiative has been undertaken within the Foundation to create the position of Executive Director. This position is proposed to be wholly an employee of AEF. Posting, screening and interviews for this position are currently underway with a decision pending from the Foundation.

A significant part of the efforts of this position will be centered on meeting with potential donors and introducing them to individuals and programs in AISD. In addition, the Foundation is also focused on corporate donors who, many times, require the attention of a full time Foundation employee as part of the justification for donations.

Administrative Consideration(s):

With the need for proximity to AISD programs and employees, the Aledo Education Foundation has requested a minimal amount of office space, office equipment use and network connectivity for the new position of Executive Director. This item and attached amended MOU addressed those needs.

All areas under consideration for edit are outlined in **red** on the enclosed DRAFT MOU.

Fiscal Note: There is no known financial impact to the 2014-15 AISD budget beyond what was described in the preceding paragraph.

Administrative Recommendation: Administration recommends approval of the edits to the Aledo Education Foundation/Aledo Independent School District Memorandum-of-Understanding, as presented.
