RE: Curriculum Resource and Textbook Adoption Proposals for 2026-2027
DATE: April 13, 2026 (Board of Education Meeting)

Attached you will find the list of textbooks and primary resources recommended for adoption for use beginning in the fall of the 2026-2027 school year. These resources have been reviewed as part of a rigorous evaluation process conducted by our faculty and administration. Approved resources will continue the roll-up of previously approved curriculum, serve as new additions to existing courses or as a new replacement curriculum.

Resource materials have been on display as outlined in the school board policy. They have been available for review at CESC 227 N. 4th Street, Geneva.

Approval of these resources is recommended.
