Conferences

Parent Teacher Conferences are
April 8 & 9 from 4:30-7:30 and
April 10 from 7:30-11:30.
Please plan on attending

Cesar Chavez Youth Leadership

IV students recently had the opportunity to attend the Cesar Chavez Youth Leadership Conference at Southern Oregon University. Throughout the day, students engaged in learning about Latinx culture and history while also participating in workshops focused on leadership, college readiness, and cultural arts. Students returned to campus feeling motivated, empowered, and inspired to make a difference in their school community. As a result, they have taken the initiative to launch Illinois Valley High School's first ever all inclusive Hispanic Student Union Club, creating a space that celebrates culture, builds community, and encourages student leadership. Our students had a fantastic experience and are already looking forward to attending next year's conference.

Students from Illinois Valley High School (IVHS) recently made a meaningful impact in our community through a dedicated Day of Service. With energy and pride, students spread out across Cave Junction to lend a helping hand where it was needed most. Their efforts included cleaning and beautifying parks, cleaning up the cemetery, picking up trash along roadsides, and contributing their time and talents to painting projects at Evergreen Elementary School.

This day was more than just community service –it was a powerful demonstration of teamwork, responsibility, and local pride. IVHS students showed what it means to give back, leaving a lasting, positive mark on the places we all share.

Please see pictures of the day in this newsletter.
