PRIORITY	ACTION STEPS	SMART Goals
<p>1. The district will develop and implement 3 reopening models in an effort to reopen schools for the 2020-2021 school year.</p>		
<p>2. The district will improve student achievement for all students evidenced through multiple measures (Student Achievement). The district will focus on closing the achievement gap between regular and special education students.</p>		
<p>3. The district will provide all students with high quality instruction and coherent and aligned curricula, resources, and assessments in an adaptive and flexible learning environment.</p>		
<p>4. The district will provide meaningful professional</p>		

<p>learning to faculty and staff that targets identified areas of need and supports the achievement of the district's goals/vision, student achievement, and individual professional growth during the pandemic in the context of the three models in our reopening plans.</p>		
<p>5. The district will support the development of Social Emotional Learning (SEL) by equipping all students with strategies to build self-regulation and self-awareness. The district will work to ensure that equity and diversity are a focus of the district.</p>		
<p>6. The district will work with parents, families and caregivers to support at home learning and will provide adult learning opportunities to assist with remote learning.</p>		
<p>7. The district will provide and maintain a safe environment and will follow the state and CDC guidelines as we reopen schools. We will continue planning for the building of two new schools.</p>		

<p>8. The district will present a budget for the 2021-2022 school year that continues to allow the New Fairfield School District to conduct business and use resources in an effective and responsible manner.</p>		
<p>9. The Superintendent will work with the Board of Education to continue to grow professionally into a healthy organization.</p>
