

MEMORANDUM

March 4, 2015

TO: Members of MVSEC Executive Advisory Board
FROM: Carla Cumblad, Executive Director
RE: Non-Member District Student Placements

According to the Articles of Agreement:

“The Executive Director may recommend to the Advisory Board that it accept children who reside outside of the Member Districts into its programs if space and instructional services are available. Upon approval by a majority vote of the Advisory Board, the Executive Director shall be permitted to enroll students and arrange for placement of such students and arrange for the necessary financial payment for services for these students.”

At this time, we have four students from non-member districts who are placed in our programs. At this time, we have space in the programs and recommending that the students continue for the 2015-16 school year.

Student	District	15-16- Grade	Program
M.S.	129	8	New Directions
J.F.	129	5	New Directions
M. C.	131	EC	ECHI
D.B.	25	4	New Directions

If additional students are referred, we will accept their placement only if the programs have sufficient space for potential district students.
