To whom it may concern:

I am writing this letter at the request of Tia M Spotted Eagle. Tia is applying for early graduation and has met all the core requirements to graduate from Browning High School 2020/2021 school year. I have known Tia professionally for three years now as her Counselor and Former Dean of Students. She comes from a hard-working family with a strong commitment to the community. Tia is a very dedicated student who is in charge of her education. Her devotion to academics sets a standard far and above the normal student drive. She is an honest and trust worthy individual. She has a very mature personality and is dedicated to whatever she pursues. Tia is well-rounded, very social, and personable. I highly recommend her for early graduation from Browning High School. It has been a great pleasure to work with and support her throughout her time as a Browning Indian Student. Feel free to contact me with any further questions you may have.

Respectfully,

Jack Parrent Jr.
