The Williamsburg Elementary School PTO has approved payment for Neri Landscaping to repair, replace and reinstall brick work in the front of the school. Scott Ney has been a part of the discussion regarding this project, and the specifics of the work to be performed is outlined on the attached estimate.

In accordance with Policy 8:80 - Gifts, Grants and Bequests, donations having a value of \$500.00 or more shall be accepted by the Board of Education.

I am requesting approval from the Board of Education at their next regularly scheduled meeting.
