Dear Mr. and Mrs. Antonson,

The Mid-Valley Special Education Cooperative Executive Advisory Board has accepted your generous donation of a communication device and a Rifton chair. These two donations have a value of approximately \$375 and \$725, respectively. I wish to express our gratitude for your contribution to our organization and I know that your donation will be put to very good use with students right away. Gifts like yours enable us to help students in a more cost-effective manner and provide necessary programming. We truly appreciate your thoughtfulness in providing the donation.

Sincerely,
