

DEPT. OF FACILITIES  
*CONSTRUCTION REPORT*  
MAY 2019

Submitted by: Reid Reagan

FACILITIES:

Tim Petersen of L'Heureux completed final plans for the BHS Home Ec room, work includes installing 5 range hood exhaust fans and ducting to the exterior wall. Tim is also designing a breezeway/entrance connecting the KW/Vina Schools in the north playground area.

The schools are turning in there summer work orders, we will survey and assess the needs of each work order, determine what work can be done in-house and what work to be contracted.
