Mr. Jake Little, Principal

Memo

To: Dr. Wise

From: Jake Little

Date: May 10th, 2023

Re: Recommendation to hire the following: Emi Maren for a shared social worker between Elizabeth Ide & Prairieview

Students at Prairieview & Elizabeth Ide will have greater access to social work services with the addition of a new social worker shared between those two buildings. As a result of this hire, our teachers will get support in their classrooms in developing lessons to grow their students' social-emotional skills, and many students will benefit from more individualized interventions. Ms. Maren has been praised for her initiative, collaborative skills, experience with interventions, resourcefulness to identify evidence-based practices, and how personable she is with students. She's the perfect fit to grow our social work services!
