Good Job Note

To: Nik and Jessica

From: A Parent

Student Staff Volunteer

RAMBLER PRIDE!

I just wanted to drop a note and personally thank you! My daughter is thriving in college, so much she has made both the President's & Dean's list for carrying straight A's since she has been attending NCMC. She lives on campus and is a creative writing major. She has her days where college is very overwhelming, but has grown so much since graduating from Morgan Shaw she now has the tools to keep carrying on and work through the tough days.

Before starting at Morgan Shaw, she had just about given up on anything that had to do with school. She had been bullied long enough to where she no longer wanted to be in school or had even been thinking about a college career, but thankfully she found her groove and I owe you and Jessica so many thanks for allowing to get back into the groove of the things at her pace but still pushed her to the best she could be.

I will forever be grateful!!
