

Glendale & Big Sky Colony Schools

November Board Report

Submitted by: Rebecca Rappold, Principal

Aimsweb Fall Assessment

First through 8th grade students at both Glendale and Big Sky Schools participated in the Fall Aimsweb Benchmarking Assessments for ELA and mathematics. Students from both schools shared that they had not previously participated in the fall, winter, or spring screening assessments in previous years. So this was a new experience for all students. Students and teachers worked diligently to complete the screening assessments.

Lights on After School Celebration

On October 28th, our students participated in their own Lights on After School celebration.

Students completed fall activities, played fall games, and carved jack-o-lanterns. Fun was had by all and the teachers prepared a special treat for students to take home at the end of the evening

Principal's Instructional Goals & Action Steps

Academic Goal for the 21-22 School Year:

By June 2, 2022, Big Sky and Glendale Schools will decrease students in Tier III of the ELA and mathematics benchmark assessment by 50% as measured by the Aimsweb benchmark screening.

Interpretation- We will move 8 students from Tier 3 to Tier 2 in ELA and 12 students from Tier 3 to Tier 2 in mathematics.
