

Pre-K/ESL Board Report-December 2024

Field Trip

Our next field trip will be in February. We will be heading to Florissant Civic Center Theater to see a live performance of 'The Ugly Duckling.' (They had to cancel the showing of 'Rapunzel' and have replaced it with this show. I have seen this in years past and I am so excited for the kids to experience this show. It's absolutely amazing!!!)

Family Engagement

Our annual Gingerbread Night event was on Thursday, December 5th. We had a packed cafeteria at Bluffview. There were 32 families that came out in the cold to build and decorate Gingerbread Houses. It was a very successful and fun evening!

Screening

I am still doing screening as parents call and request. Currently, our program is full and we have started a waitlist.

ESL

The students are doing great! Ms. Lenz and I are looking at the ELL version of IXL to see if this would be a good support for our students.
