Children age 18 and under can join us this summer for free breakfast and lunch, thanks to a special program provided by federal funding. The goal of this program is to make sure all youth in our community have access to nutritious meals while school is out for the summer.

Families will not be asked to fill out paperwork and no names will be taken. Kids just need to show up to eat! Meals include both hot and cold entrees and will be served on a first come/first served basis. Shoes and shirt are required.

For the safety of all children, the district requests a responsible adult, or older child, bring the younger children to the cafeteria, stay with them for supervision, and escort them back out of the school building when they are finished eating.
