District Goal References (Check all that apply):

- Provide rigorous learning opportunities and curricula that transcend state and national standards to improve the achievement of each student while meeting their individual needs and aspirations.
- Enhance the character development of each student with emphasis on creating a sense of personal responsibility and a commitment to community.
- Recruit, develop, and retain compassionate, effective, innovative, and highly motivated staff.
- Focus our use of resources to accelerate learning for all students and eliminate the achievement gap.
- Provide learning environments that are physically safe and emotionally secure for all students, faculty, and staff.
- Lead, develop, and implement a robust parent and community involvement program to successfully achieve the district mission and objectives.
- Nurture, support, and develop collaborative leadership at all levels throughout the learning community.

Subject:

Consider Approval of Policy FNG(LOCAL): Student Rights and Responsibilities: Student and Parent Complaints/Grievances - FIRST READING

Background:

This policy was brought before the Policy Committee on June 2, 2010. The recommended change is to remove the language on page 2 of 8, bullet number 11 pertaining to complaints concerning a commissioned peace officer who is an employee of the District. The policy then references CKE which does not currently exist. Peace Officers within our district are contract employees and not actual employees of the district. Removing the language would clarify that any complaints concerning our liaison offers could not be resolved through our current grievance process. If approved, the policy will be brought to the Board for a second reading at a subsequent Board meeting.
