

LIVONIA PUBLIC SCHOOLS

Operations Department

Memorandum

TO: Lisa Abbey, Director of Business Services
FROM: Harry Lau, Administrator of Facilities and Operations
DATE: February 27, 2015
SUBJECT: Recommendation to extend agreement with Rizzo Environmental Services - Solid Waste Collection

I am recommending and seeking approval to extend our current solid waste collection agreement with Rizzo Environmental Services set to expire on June 30, 2015; for two more years, until June 30, 2017.

Some of the reasons for this recommendation include the following:

- 1) Excellent service; including their discontinuation of service while the District is not in session for breaks and holidays.
- 2) They were the lowest bidder when we did the original bid in May, 2014.
- 3) No price increases for the next two years – their bid included firm pricing for three years.

LPS uses the following containers for solid waste:

Six Yard	\$ 7.98 per pick up
Eight Yard	\$ 10.65 per pick up
Ten Yard	\$ 13.50 per pick up
Twenty Yard Roll Off	\$165.00 hauling, \$26.00 per ton
Thirty Yard Roll Off	\$165.00 hauling, \$26.00 per ton
Forty Yard Roll Off	\$165.00 hauling, \$26.00 per ton

If you have any questions, please call me.

Thank you.
