Re: YONDR Pouches for AUGS

Attachments: Antioch Upper Grade School - YONDR Quote and Split Payment Terms

Agenda Location: Consideration to Approve: Action items

Rationale:

This proposal recommends the purchase and implementation of YONDR pouches to secure student cell phones, earbuds, and smartwatches during school hours. With increasing concerns around student focus, discipline, and social-emotional well-being, now is the time to take proactive steps to reduce digital distractions. The goal is to create a learning environment that supports student engagement, improves classroom behavior, enhances safety, and fosters greater academic success.

Recommendation/Motion:

The administration recommends that the Board approve the purchase of YONDR pouches for AUGS for the 2025-26 school year at a cost not to exceed \$34,132.50.
