

2011-12 Graduation Rate with Preliminary Data

Will not be used to determine Accountability Status in
the 2011-2012 School Year

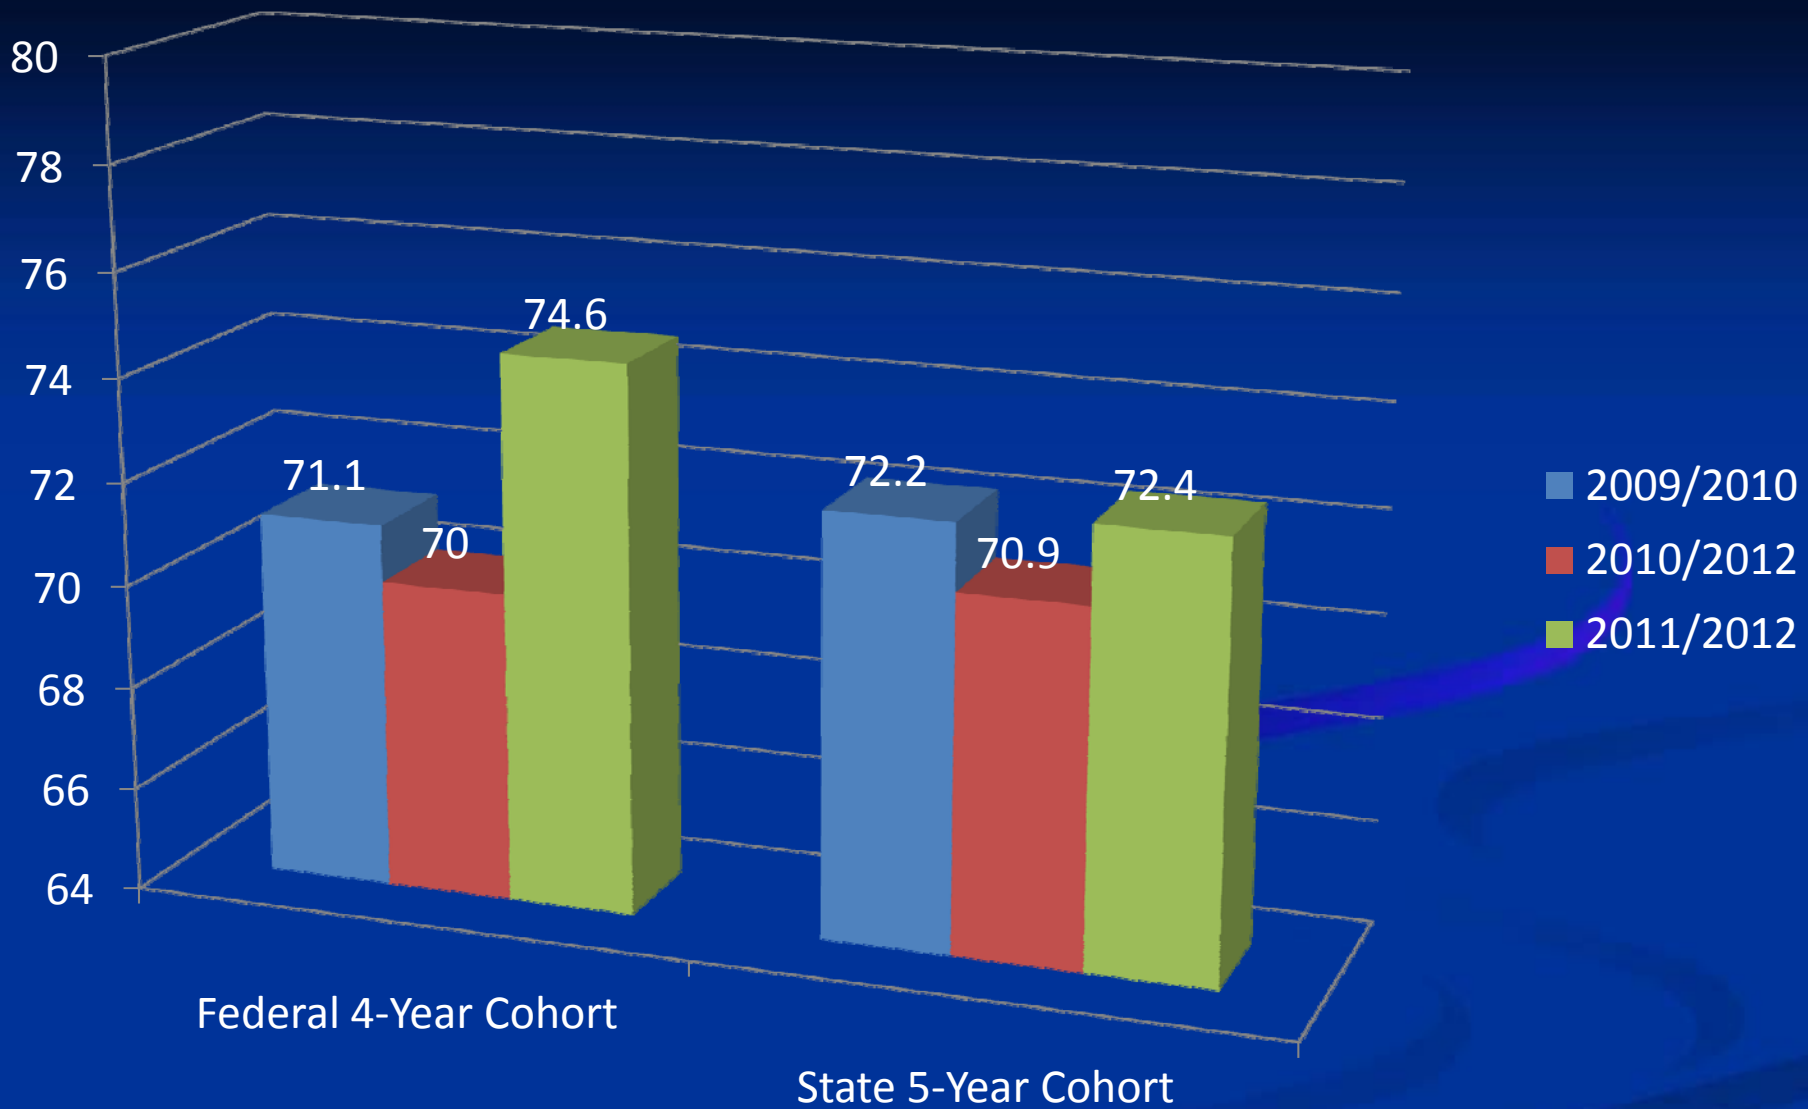

Graduation Rate is Calculated Two Ways

Federal AYP Model

- Uses a four year cohort (08/09)
- Must be greater than 66%
- OR 10% greater than previous four year cohort

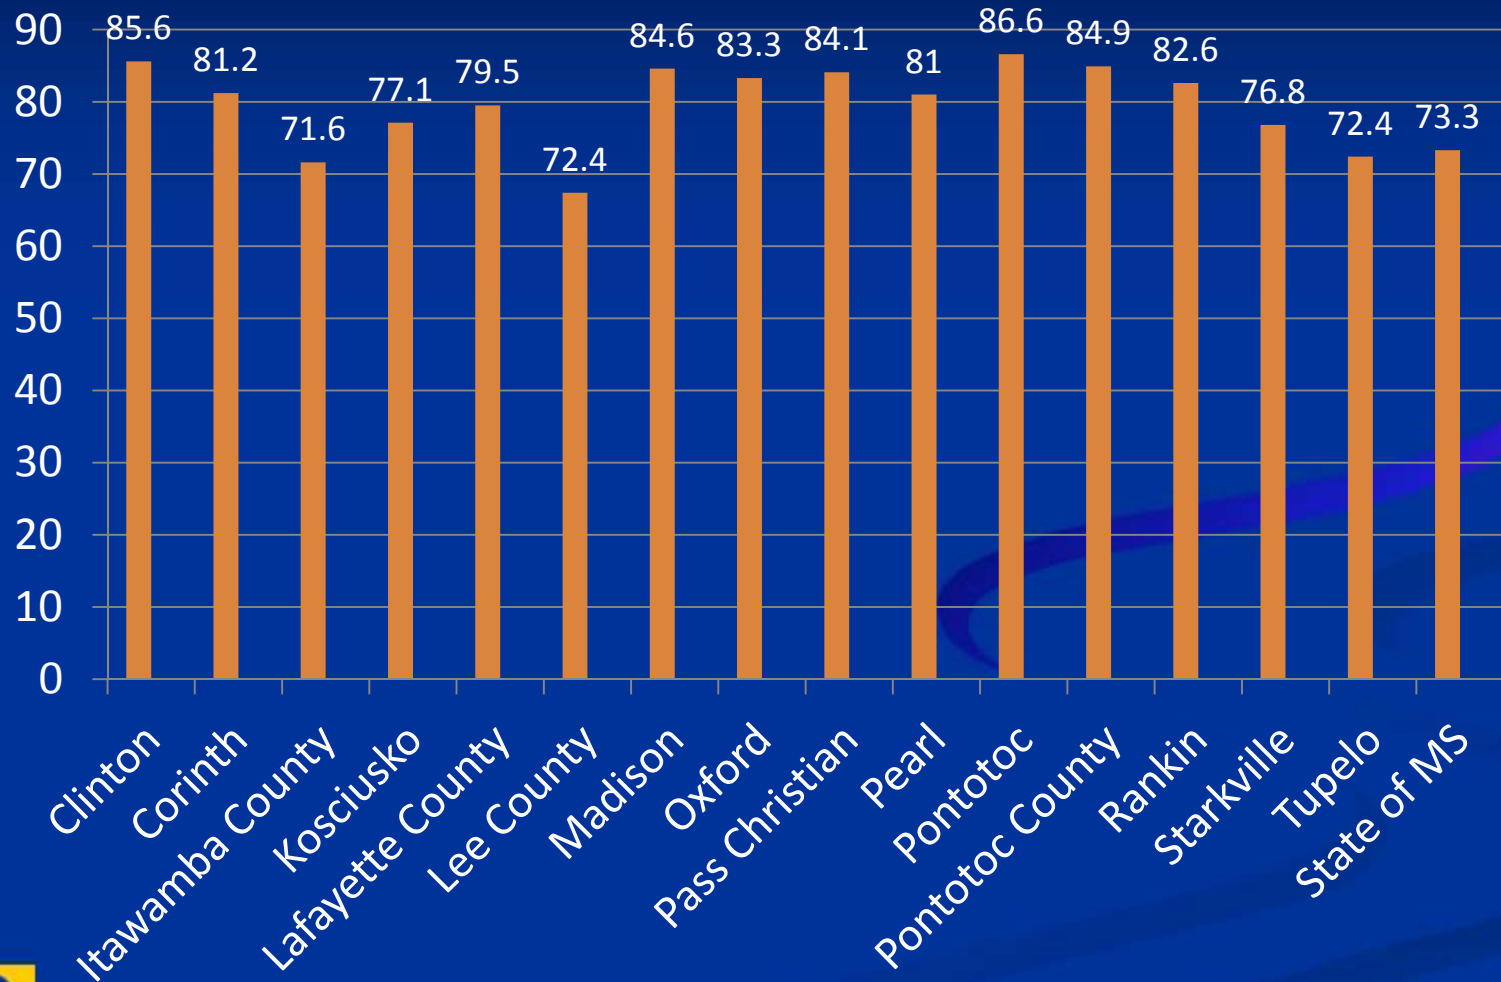

State Accountability Model

- Uses a five year cohort (07/08)
- Must be greater than 75%

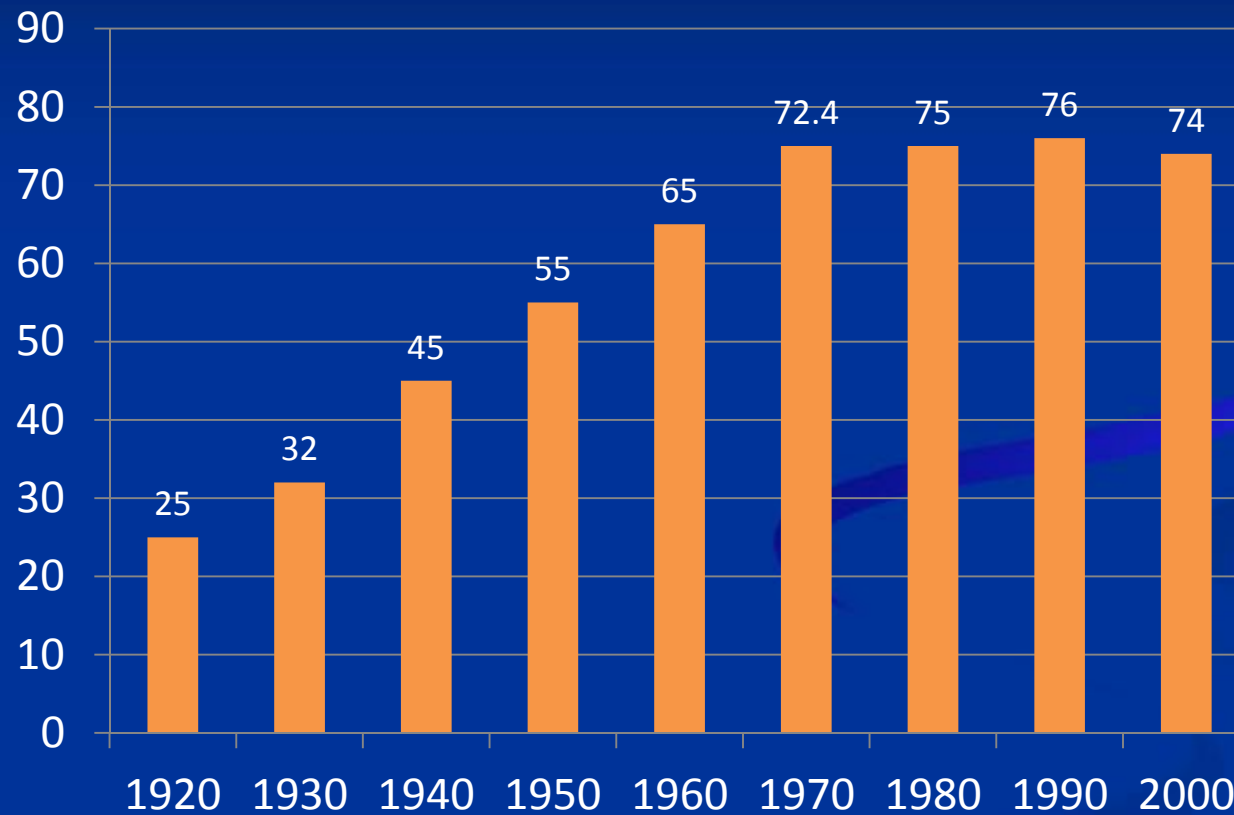

2011-2012 data is preliminary at this time

Comparison to Other Districts – 4 Year Cohort (Preliminary Data Only)
