Procedure	The nonresident parent and the resident grandparent shall apply to the Superintendent if they wish to request admission of a nonresident student based on the amount of after-school care provided by the grandparent. The request and the affirmation of the grandparent's residency must be made in writing by completing the form provided by the District.

If the care provided by the grandparent no longer meets the definition for substantial care as defined by this policy; 2. If the student obtains a driver's license; or 3. If the student obtains after-school employment. The parent and grandparent of a nonresident student requesting admission under Education Code 25.001(b)(9) shall provide to the Superintendent the required information on the grandparent's residency and complete a form provided by the District describing the extent of after-school care to be provided by the grandparent.
