Education is the single biggest gift a community can give its children. I am passionate about education in general and the Neah-Kah-Nie school district in particular. I have children in two of our schools, and I am committed to making sure they get the absolute highest quality education possible and all students, both present and future, have access to that same education. There are many new standards, requirements, curricula, programs, and pieces of legislation in relation to education. As a member of the Board of Directors, I would have the opportunity to use my knowledge of those changes to work with the other members of the board, community members, and the administration, to craft and implement policies that lay the foundation for successful schools. I believe that when sound policies are constructed it allows our administration to run the day-to-day operations more effectively. I've been very involved with the schools, and know many of the issues our students, families, staff, and administration face. I enjoy working as a team and coming together with a set of common goals to face challenges. The Board of directors position would allow me to combine my passion for education, my dedication to children, and my enjoyment of working as a unit to solve problems and create opportunity. I have seen many great changes in the last few years, but I know there is still work to be done. To serve on the board, to remove some roadblocks our community faces, to help make a difference in the lives of our families, would be a great honor.

The Board of Directors meets on the second Monday of each month at 6:30 p.m. at the District Office in Rockaway Beach, with the exception of the following; October, Nehalem Elementary School, January, Neah-Kah-Nie Jr./Sr. High School, March, Garibaldi Grade School.

WHY DO YOU WANT TO SERVE ON THE BOARD OF DIRECTORS FOR NEAH-KAH-NIE SCHOOL DISTRICT NO. 56?

I have the upmost respect for public school systems. I feel that the public education I received many years ago provided me with the tools necessary to unleash my potential and to prepare myself for higher educational opportunities. I would like to contribute myself to the efforts of Neah-kah-nie School District so as to ensure that our community can provide the same opportunities for my second-grade son and his peers.

The Board of Directors meets on the second Monday of each month at 6:30 p.m. at the District Office in Rockaway Beach, with the exception of the locations noted on the annual calendar.

WHY DO YOU WANT TO SERVE ON THE BOARD OF DIRECTORS FOR
NEAH-KAH-NIE SCHOOL DISTRICT NO. 56?

Two of my strongest held beliefs are education and service. I believe public education is a cornerstone for strong, vital communities. I have been fortunate in so many ways in my life and find service to my community to be challenging, interesting, and gratifying. I have owned my own business, been engaged in my previous community at a high level, participating on the advisory board for the Salvation Army and Evergreen Habitat for Humanity board and completing a nine month leadership program designed specifically to educate those who are community focused.

What I would bring as a "team" member is the ability to listen to all sides of an issue, ask thoughtful questions to synthesize the information and provide a recommendation, within a reasonable timeframe. Being a recent import to the area I think I would bring a fresh perspective to the Board, which I would hope supports all involved. I have experienced the district from that of a parent, I have a stepson currently in the district and my experience has been very positive. As with my stepson, I believe all children deserve an educational experience that enlightens, inspires and supports them through all of life's challenges.
