

TOWN OF HORIZON CITY MEMORANDUM

Date: May 13, 2025

To: Honorable Mayor and Members of City Council

From: Art Rubio, Chief Planner

SUBJECT: On the submitted Final Subdivision Plat application for Verdancia Unit 1 (Case No.

SDF25-0001), allow recording of the final plat prior to the completion of all required improvements secured by sufficient bond and to authorize the Mayor to sign the recording plat. Legally described as Being All of Tract 1, 2F, 3D, and 3H, and a Portion of Tract 2, 3 and 3B, Section 30, Block 78, Township 3, Texas and Pacific Railway Company Survey and Vacating Portions of Town of Horizon City Right-Of-Way, El Paso County, Texas. Containing 103.068 acres ±. Application submitted by Applicant/Representative: CEA

Group.

On April 21, 2025, the Planning & Zoning Commission unanimously recommended approval of the Verdancia Unit 1 Plat.

The application meets all minimum requirements of a final subdivision plat and staff recommends approval of the Verdancia Unit 1 Subdivision Final Plat

Attached for your review is the staff report that was prepared for the Planning and Zoning Commission and the final plat.

Application Description:

The proposed Verdancia Unit 1 Preliminary Plat Subdivision includes 389 single-family lots for residential development. The smallest lot measuring approximately 5,502 sq. ft. and the largest lot measuring approximately 12,733 sq. ft. in size and one 87, 132 sq. ft. storm water drainage pond, 1.791-acres, pond 2, 1.891-acres, park 1, 1.649-acres and park 2, 1.094-acres. The applicant proposes 52' ROW Residential collectors, 54' Residential Sub-Collectors Streets, 68' ft. Residential Collectors at enhanced entrances, 60' ft. Residential collectors, to serve all the lots in the subdivision.

The applicant is also requesting the following modifications:

 Modification from a 52-ft wide residential sub-collector street right-of-way to a 54-ft wide street right-of-way at all local residential sub-collector streets. The 54ft street will consist of two 5-ft parkways, two 5-ft wide concrete sidewalks and a 34-ft wide pavement structure with curb & gutter. This right-of-way will coincide with typical parkway widths and maintains a 34-ft wide street pavement width, as recommended by ESD#I.

- Modification to use a 60-ft wide street right-of-way residential collector, which
 consist of two 5-ft parkways, two 5-ft wide concrete sidewalks, two 40-ft wide
 pavement structures with curb & gutter. This right-of-way will be consistent with
 the adjacent existing residential collector street of Desert Springs Dr. to the
 west.
- 3. Modification to use a 68-ft wide residential collector at enhanced neighborhood entrances. The 68-foot street will consist of two 5-ft parkways, two 5-ft wide concrete sidewalks, two 18-ft wide pavement structures and a 12-ft raised landscape median with curbs & gutter. Landscaped areas will be maintained by the HOA.
- 4. Modification from an existing 74-ft wide collector arterial street right-of-way to a 69-ft wide collector arterial street right-of-way, along Paseo Del Este Blvd. The proposed 69-ft collector arterial street will consist of two 5-ft landscape parkways, two 22-ft wide pavement structures and a 15-ft raised landscape median, with curbs & gutter. The sidewalk will consist of an 8-ft wide concrete structure and will be located adjacent to this right-of-way, and meandering within the abutting Common Open Space 27.5-ft wide landscaped buffer. This will provide a visually appealing and safe walking trail along this corridor. Landscaped areas will be maintained by the HOA.
- 5. Modification from a 50-foot radius cul-de-sac street to a 50-ft and a 53 % -foot radius cul-de-sac with interior parking/landscape islands. The proposed cul-de-sac and parking/landscape islands will enhance the neighborhood character, reduce the impervious surface, and aid to eliminate typical cul-de-sac "stack" parking, while maintaining adequate room for emergency vehicle turning movement. Landscape areas will be maintained by the HOA.

Cumulative Parkland Dedication:

Verdancia Unit 1 requires 2 1/2 -acres of parkland dedication and \$5,600 in park fees. The applicant is proposing to satisfy the requirement through the dedication of 2.74-acres of parkland. The proposed dedication consists of 2 parks, a 1.65-acre on the north part of the subdivision and a 1.09-acre to the south of the subdivision, leaving 0.244-acre credit.

Staff Recommendation:

Staff recommends approval subject to addressing all pending comments prior to City Council Meeting.

Planning Comments:

No Comments

Town Engineer Comments:

A modification letter from CEA dated August 21, 2024 requested a variance for a proposed 53.5' cul-de-sac. This cul-de-sac was not located in the Final Plat however a 48.50' cul-de-sac is shown. Please provide proof of approval for this variance on Curleaf Court with radio of 48.50'.

HRMUD

Lot 16, Block 1; label DE and Utility Easement as well, Proposed wastewater line goes through the easement.

Additional Requirements:

Failure of the subdivider to submit a recording plat within twelve (12) months of approval of the final plat by the City Council will nullify the approval of the final plat and obligate the subdivider to reapply for preliminary plat approval should the subdivider wish to pursue the subdivision. (§4.11.2 Subdivision Municode Chapter 10)

 Any required parks fees shall be paid prior to the recordation of the plat if applicable.

Attention:

Mr. Art Rubio,

Chief Planner

Reference:

Verdancia Unit One Subdivision - Modification Request Letter - REVISED

Dear Mr. Rubio:

<u>Hunt Communities GP, LLC</u> is requesting the following modifications from the Town of Horizon City Subdivision Regulations.

- Modification from a 52-ft wide residential sub-collector street right-of-way to a 54-ft wide street right-of-way at all local residential sub-collector streets. The 54-ft street will consist of two 5-ft parkways, two 5-ft wide concrete sidewalks and a 34-ft wide pavement structure with curb & gutter.
- Modification to use a 60-ft wide street right-of-way residential collector, which consist of two 5-ft parkways, two 5-ft wide concrete sidewalks, a 40-ft wide pavement structure with curb & gutter. This right-of-way will be consistent with the adjacent existing residential collector street of Desert Springs Dr. to the west.
- Modification to use a 68-ft wide residential collector at enhanced neighborhood entrances. The 68-foot street will consist of two 5-ft parkways, two 5-ft wide concrete sidewalks, two 18-ft wide pavement structures and a 12-ft raised landscape median with curbs & gutter. Landscape areas will be maintained by the HOA.
- 4. Modification from an existing 74-ft wide collector arterial street right-of-way to a 69-ft wide collector arterial street right-of-way, along Paseo Del Este Blvd. The proposed 69-ft collector arterial street will consist of two 5-ft landscape parkways, two 22-ft wide pavement structures and a 15-ft raised landscape median, with curbs & gutter. The sidewalk will consist of an 8-ft wide concrete structure and will be located adjacent to this right-of-way, and meandering within the abutting Common Open Space 27.5-ft wide landscaped buffer. This will provide a visually appealing and safe walking trail along this corridor. Landscape areas will be maintained by the HOA.
- Modification from a 50-foot radius cul-de-sac street to a 50-ft and a 53 ½ -foot radius cul-de-sac with interior parking/landscape islands. The proposed cul-de-sac and parking/landscape islands will enhance the neighborhood character, reduce the impervious surface, and aid to eliminate typical cul-de-sac "stack" parking, while maintaining adequate room for emergency vehicle turning movement. Landscape areas will be maintained by the HOA.

Public Infrastructure. Private Development.
