TASB

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)

- New policies (not annotated)

- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.

- Additions are in a blue font: new text.

- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.

- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes — as in an extensive rewrite — may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.
