TO: Dr. Albert G. Roberts, Superintendent of Schools

FROM: Therese M. O'Neill, Asst. Supt. Finance & Operations  
Norman Lane, Director of Buildings & Grounds

SUBJECT: Standby Generator Bid

DATE: November 29, 2011

As reported at the October 25, 2011 meeting, Meany Electric chose not to bid on the alternate (installation of the standby generators) and was not desirous of performing the work at the low bidder's (Kwasigroch) amount of \$8,700. Therefore, the Director of Buildings & Grounds, sought out three quotes for this installation work and these are as follows:

	<u>Administration Bldg.</u>	<u>Brooks Middle School</u>
Whoosh Drain & Sewer Openers 1103 Garfield Street Oak Park, IL	\$ 2,964	\$ 3,211
Quality Mechanical 17600 N. Williams Street Thorton, IL	\$ 3,350	\$ 3,350
Wells Plumbing & Heating Supplies 7401 N. Croname Road Niles, IL	\$ 4,000	\$ 6,000

Total for Whoosh is \$6,211, for Quality is \$6,700, and Wells is \$10,000. We are continuing to recommend the standby generator bid to Meany Electric in the total amount of \$73,500 and are now recommending installation work to Whoosh Drain & Sewer Openers in the amount of \$6,211.
