AGENDA ITEM: 9.6

TOPIC: Certify School District Population

BACKGROUND: Each year the school district has the right to update and certify the school district's population. This figure enables the district to obtain increased funding for those programs that have revenue based on overall school district population.

PROCESS: The Director of Community Education meets with the school district census staff to update the new school district's population. This figure is presented to the School Board for approval and is sent to the State Demographer for use in future revenue calculations.

RECOMMENDATION: Administration recommends adopting the resolution certifying the new population figure.
