

Prepared for: North Bend School Board

Prepared by: Bruce Martin, Director of Teaching and Learning

Meeting Date: June 8, 2026

NO ACTION

ENROLLMENT UPDATE

Bruce Martin will provide the Board with an update on district enrollment, including a comparison of enrollment numbers over the last two years. We will take a look at the number of students who withdrew, the tracking process to monitor where they have gone and how this has impacted enrollment at the schools within the district. We will look at the impact of online enrollment both in the district and statewide.
