### School Board Meeting Agenda Item

Topic: Approval of Policy Changes  
Contact(s):  
Presenter(s): Karsten Anderson, Superintendent

#### Nature of Action Requested

Board Action

Board Information or Report

#### Background Information

On March 21<sup>st</sup>, board members reviewed policies 601-608. Policies 601 and 602 did not have any needed changes, so they will be updated to show they were reviewed on that data. Except for Policy 607, only minor changes are needed for the policies listed below, so the Minnesota School Boards Association (MSBA) explained they could be approved without first conducting two readings. Grade configurations were discussed during multiple meetings before a decision was made, so approving Policy 607 is a formality.

Policy 603	Curriculum Development	Update References
Policy 604	Instructional Curriculum	Update References
Policy 605	Alternative Programs	Update Text
Policy 606	Textbooks and Instructional Materials	Update References
Policy 607	Organization of Grade Levels	Update References & Update Text
Policy 608	Instructional Services; Special Education	Update Text

#### Recommendation

I move to approve the policy changes as presented.
