	Score	X Weigh	Score	Score	X Weigh	Score	Score	X Weigh	Score	
Experience within the past ten years in providing similar services in Alaska, with emphasis on experience in SE Alaska maritime climates.	10	6.00	60.00	10	6.00	60.00	10	6.00	60.00	
Qualified Staff	10	2.50	25.00	10	2.50	25.00	10	2.50	25.00	
Ability to perform on or about January 15, 2024	10	1.50	15.00	10	1.50	15.00	10	1.50	15.00	
TOTAL			100.00			100.00			100.00	

Scoring Procedures

1. Each rater should score each category from 0 - 10. Increments should be in whole or half numbers. For example 4.0, 7.5, etc.
2. After all firms have been scored, the raters should compare their category scores for each firm, discuss their differences, and arrive at mutually agreeable category scores for each firm. (An alternate method would be to simply average the individual raters' category scores to arrive at composite category scores for each firm.)
3. The maximum total score is 100.

NOTE: Applicable information from references may be taken into account in scoring each category.
