

Technology Plan: Acequia Elementary School

Goal:

- 1:1 student devices

Device Goal 2016-2017:

- 30 iPad Minis with cart, cases for 3rd grade
- 30 iPad Minis with cart, cases shared between second grade classes
- 30 iPad minis with cart, cases shared between first grade classes

Integration Goal:

- Provide training for 3-5 teachers on technology integration of 1:1 devices
- Provide training for K-2 teachers on technology uses for 1 device classrooms.

Integration Plan:

One 30 minute workshop per month per primary and upper elementary teachers on specific topics pertaining to each level.

Accountability & Evaluation:

- Calendar, and sign-in sheets to show meeting dates and attendees.
- Notes sent on Smore to teachers with refresher tips and reminders monthly.

Technology Plan: East Minico Middle School

Goal:

- Shared laptop carts in all classrooms

Device Goal 2016-2017:

- Purchase Projection, iPads for new teachers
- Replace teacher items
- Purchase laptop cart
- Purchase student laptops

Integration Goal:

- Teachers will increase their use of technology.
- Technology will be used to enhance reading and writing in all areas.
- Teachers will begin to use technology to augment and modify lessons.

Integration Plan:

- Trainings on Google Classroom, Kahoot, other tools to enhance teaching and learning.
- Implement Grade Cam (pre/post tests)
- Integration specialist will present tools/ideas at faculty meeting monthly.
-

Accountability & Evaluation:

- Monitor through walkthroughs
- Staff input/reflection
- Agendas from monthly staff meetings

Technology Plan: Minico High School

Goal:

- 1:1 student devices

Device Goal 2016-2017:

- Freshman Class 1:1 devices

OR

- Classroom Cart Sets-English

Integration Goal:

Teachers will use technology for more than projection-putting the device in the hands of the students/student use.

Integration Plan:

- Subject matter experts in each department.

These experts would be provided resources from the district and Donna would help train them, and they would in turn help their department.

Accountability & Evaluation:

- Administration will observe devices being used in classroom.

Technology Plan: Paul Elementary School

Goal:

- Support teachers as they become more efficient and effective in integration of technology.
- Expand technology integration through robotics, focusing on math and engineering.

Device Goal 2016-2017:

- Purchase 2 carts so every classroom has a cart.
- Replacement of iPad, covers as they are worn
- Replacement printers
- Add access points to first and fifth grade hall, replace as needed
- Replace laptop cords, headphones, microphones, computer fans
- Robots

Integration Goal:

- Support and guide teachers as they progress through the SAMR model.

Integration Plan:

- Monthly technology meeting
- Meet with teachers
- Team teach with classroom teachers
- Angela & Elissa attend iPad Summit
- Allow teachers to observe each other while using technology in instruction

Accountability & Evaluation:

Teachers will increase the number of times they use the M (modification) and R (redefinition) of the SAMR model. This will be evaluated through qualitative data collection.

Technology Plan: Heyburn Elementary School

Goal:

- 1:1 student devices
- Integration PD for all staff

Device Goal 2016-2017:

- Finish getting 1:1 devices for 3rd grade (3 sets of 30 + carts)
- At a minimum 1 cart of 30 devices to be shared in 2nd grade

Integration Goal:

- Monthly integration training

Integration Plan:

- Monthly newsletters tips
- Monthly collaboration demonstrations
- Modeling & demonstration upon request

Accountability & Evaluation:

- Copies of monthly newsletter
- Copies of collaboration agendas
- Modeling/demonstration/assistance log sheet

Technology Plan: Rupert Elementary

Goal:

- 1:1 devices in each classroom

Device Goal 2016-2017:

2 nd grade-1 empty cart, 2 carts
1 st grade-2 shared carts
3 rd grade-1 cart
Kinder-1 shared cart
4 Apple TVs

Integration Goal:

- Student Engagement using 1:1 devices

Integration Plan

- Digital Citizenship
- Schedule Ashley on a regular basis to work with grade levels. (Set a schedule)

Accountability & Evaluation:

- Monthly Sharing at staff meetings
- Observations
- Lesson Plans-Preplanning with grade levels

Technology Plan: Total Learning Center

Goal:

- 1:1 devices in each classroom

Device Goal 2016-2017:

- iPad carts for classrooms (hold 15-2)
- Replace iPad cases (60)
- iPad Pro for staff (4)
- 30 MacBooks-2 carts

Integration Goal:

- Teachers will make an effort to plan lessons, showing redefinition or modification monthly.
- 25% of lessons will have students using technology

Integration Plan:

- Each teacher will schedule Ashley at least one time per month (meeting, classroom teaching)
- Elementary training on new apps
- Two “Ashley” days per month
- Monthly tech staff meeting

Accountability & Evaluation:

- Monthly technology observation by administrator
- Technology use form filled out monthly by staff

Minidoka County School District
Technology Plan: West Minico

Goal:

West Minico's goal is to use innovative technology to support learning and engagement.

Device Goal 2016-2017:

Our goal is to complete current, and add new, classroom sets of student devices into core classes.

Integration Goal:

Our goal is to have teachers in core classes integrate technology into instruction on a weekly basis.

Integration Plan:

To support technology integration, the following will be provided:

1. Individual and department focused trainings
2. Weekly integration resources
3. Monthly staff trainings

Accountability & Evaluation:

Trainings and resources will be documented on meeting agendas, staff calendar, and electronically.
