### MEMORANDUM

TO: Rolando Salinas, Deputy Superintendent of Schools

FROM: Mario E. Garcia, Food Service Director 

DATE: August 14, 2021

SUBJECT: ADULT/VISITORS MEAL PRICES

This upcoming 2021-2022 there will be no changes to the Adult/Visitors meal prices. We are currently charging \$3.00 for breakfast and \$5.00 for lunch which is covered accordingly as per the Adult Meal Calculator Worksheet provided by the Texas Department of Agriculture (TDA).

Please see attached documents.

Please feel free to contact me regarding this matter.

Thank You

**Adult Meal Calculator Worksheet**

This worksheet provides the information needed to calculate adult meal prices using both approved methods. Choose the method of calculation (see the *Administrator's Reference Manual, Section 15, Meal Pricing* for additional information on which method to use). If the rate applies, record the rate in the *Amount CE Receives* cell. If using Method 1, record the local student paid charge in the designated *Local Student Paid Charge* cell. If using Excel, this worksheet will automatically calculate the amounts in the *Minimum Adult Charge* and *Total Federal Funds* cells. All amounts are carried to 4 digits and must be rounded up when determining the adult meal price. Non-pricing programs must always use Method 2. TDA posts the current reimbursement rates at [SquareMeals.org](http://SquareMeals.org).

Use the applicable rates for the school year when the adult meal prices will apply.
