MN Legislature Must Set Funding for Minnesota Public Schools

Minnesota Constitution ARTICLE XIII
MISCELLANEOUS SUBJECTS
Section 1

"UNIFORM SYSTEM OF PUBLIC SCHOOLS. The stability of a republican form of government depending mainly upon the intelligence of the people, it is the duty of the legislature to establish a general and uniform system of public schools. The *legislature shall make such provisions by taxation or* otherwise as will secure a thorough and efficient system of public schools throughout the state."

As a Result, Funding is Highly Regulated

State Sets:

- Formulas which determine revenue; most revenue based on specified amounts per pupil
- Tax policy for local schools
- Maximum authorized property tax levy
 - Districts can levy less, but not more than amount authorized by state, unless approved by voters in November

State also authorizes school board to submit referendums for operating & capital needs to voters for approval

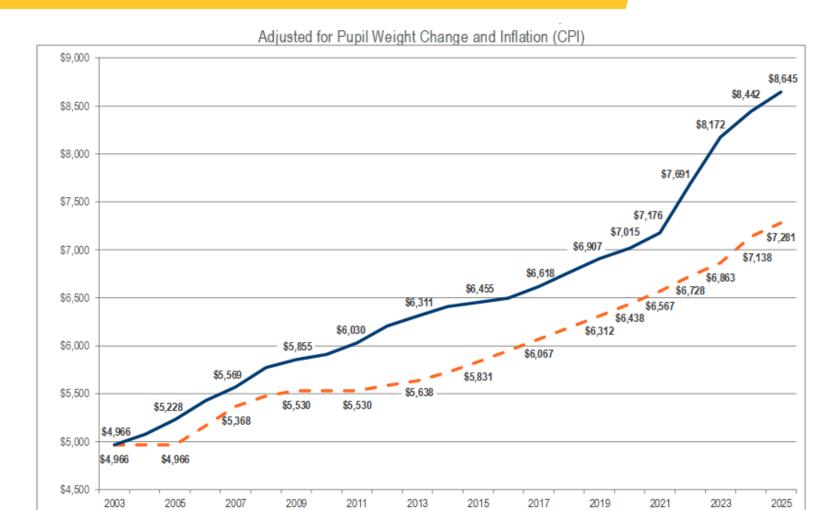

Basic General Education Formula Lags Inflation

- Since 2002-03, state General Education Revenue formula has not kept pace with inflation
- For Fiscal Year 2023-24, an increase of 4.00% or \$275 over previous year was approved
- For Fiscal Year 2024-25, an increase of 2.00% or \$143 over previous year was approved

Per-pupil allowance for Fiscal Year 2024-25 of \$7,281 would need to increase by another \$1,364 (18.7%) to have kept pace with inflation since 2002-03, resulting in an allowance of \$8,645

-Formula Allowance Adjusted for Pupil Weight Change

Underfunding of Special Education

According to MN Department of Education (MDE):

FY 2022 costs of providing programs were underfunded statewide by \$712 million

Even with recent funding, costs will be underfunded by \$408 million statewide by FY 2027

Primary options to bridge funding gap are to cut regular program budgets or increase referendum revenue, most districts have done both

Budget Information

Because approval of school district budget lags certification of tax levy by six months, state requires only current year budget information be presented at this hearing. Fiscal Year 2025-26 budget will be adopted by School Board in June 2025.

- School district budgets are divided into separate funds, based on purposes of revenue, as required by law.

Change in Tax Levy does not Determine Change in Budget

Tax levy is based on many state-determined formulas plus voter approved referendums

Some increases in tax levies are revenue neutral, offset by reductions in state aid

Expenditure budget is limited by state-set revenue formulas, voter-approved levies & fund balance

An increase in school taxes <u>does not</u> always correlate to an equal increase in budget

Difference in Levy Cycles

School District:

- Budget year begins July 1st
- 2025 taxes provide revenue for 2025-26 fiscal year
- Budget adopted in June 2025

City/County:

- Budget year begins Jan. 1st
- 2025 taxes provide revenue for 2025 calendar year budget

Parcel Notice Sample

Sample of parcel specific notice mailed to every property owner between November 10th – 25th

Property Tax Background:

- Every owner of taxable property pays property taxes to various "taxing jurisdictions" (county, city/township, school district, special districts) in which property is located
- Each taxing jurisdiction sets own tax levy, often based on limits in state law
- County sends bills, collects taxes from property owners & distributes funds back to other taxing jurisdictions

Many factors can cause a tax bill for an individual property to increase or decrease from year to year

- Changes in total value of all property within District
- Increases or decreases in levy amounts caused by changes in state funding formulas, local needs & costs, voterapproved referendums & other factors

- Increased the first-tier limit for Ag Homestead land to \$3.5M from \$2.15M

 - Actual changes in value may be more or less than this for any parcel of property
 - Intended to provide a fair representation of what happened to school district property taxes over this period for typical properties
- Examples are for property in City of Burnsville
- Amounts for 2025 are preliminary estimates; final amounts could change slightly
- Estimates prepared by Ehlers (District's municipal financial advisors)
