February 2, 2026

On Monday, January 26, 2026, the Faribault School Board met in a closed session to discuss Superintendent Bente's mid-year review on the three goals the board presented to him earlier this school year. Mr. Bente presented a report on his progress toward those goals and reviewed the report with the Board. The Board provided feedback to Mr. Bente and believes that he is making positive progress toward those goals.

  
John Bellingham, Chair  
Faribault Public Schools School Board
