September Consent Agenda

Kevin W. Newsom – High School Principal

The month of September has been busy and beneficial for the students at Brackett High School. Homecoming has come and gone and the involvement of the students and staff was as big as I have ever seen in a 1A school. The first six week grading period was released this week and although there is always room for improvement our passing percentages were excellent. October 26 is the date for our Fall Festival which will be held at the Kinney County Civic Center this year and has proved to be a community supported event that offers the students a safe and drug free environment to entertain the students of Brackettville on a Saturday night. Varsity Football is off to a 5-0 start and opens district play this week while Varsity Volleyball is at 2-1 in district play and working to defend their district championship from a year ago. Cross Country runners have brought home the winning medals at several invitational meets already and are in preparation for the upcoming district meets. Our teachers and Department Heads are studying the HB 5 changes for education each day so we can prepare to meet the needs of our students at Brackett ISD and their education needs for the long term educational goals.
