Re: Approval of CO Paving Phase 3 Project

Brian Weber, Plante Moran, and I would like an opportunity to present information to the Board of Education regarding the bid results for the **Phase 3 Central Office (CO) Paving Project** at the March 16, 2026, Committee of the Whole meeting.

Background

Phase 3 of the Central Office Complex improvement project includes work in the maintenance lot, the east bus lot, and the front parking area of the Board Office.

On February 24, 2026, four bid proposals were received. After a comprehensive review and post-bid interviews, Nagle Paving was identified as the lowest responsible and qualified bidder.

Recommendation

It is recommended that the Board award the Phase 3 Central Office Complex project to Nagle Paving of Novi, Michigan, in the amount of \$1,211,000, which includes a construction contingency of \$110,010.

The project is scheduled for completion during the summer of 2026 and will be funded through the Sinking Fund.

Please add this item to the agenda. Thank you.
