ROOted in Excellence Series – Leadership Teams

### **Background Information**

This month, the spotlight in the Rooted in Excellence series will be on Campus Leadership Teams. This series highlights key academic initiatives each month, offering the Weatherford ISD Board and our community a deeper look into the district's commitment to educational excellence.

Campus Leadership Teams play a vital role in guiding the academic and cultural success of each school. These teams, made up of principals, assistant principals, instructional coaches, counselors, and teacher leaders, collaborate regularly to review student data, monitor progress toward goals, and ensure alignment with campus priorities. Campus Leadership Teams are instrumental in creating positive outcomes for students.

This month's presentation will feature members of the leadership team from Crockett Elementary, sharing how their collaborative efforts are improving instruction while supporting both students and staff.
