

COPPELL I.S.D. POLICY REVIEW SEMINAR SUMMARY

Summary Date: October 21, 2005

Consultant: Kaye Teaff

This is the summary of the recommendations made during the staff and board policy workshops. Please review the annotated “rough drafts” enclosed and, as soon as the Board takes action, check the appropriate blank in the DISTRICT’S RESPONSE column, **attach any relevant material**, and return this document to us so we can make the appropriate changes to your policy files. We will then be able to reprint your manuals.

If more time is needed for any of the responses, there is no need to delay this project. We can add/revise those policies in a later Local District Update. If you have any questions, telephone me at (800) 580–7529.
