

High School Board Report 4-9-19

Overview

- 3/14 - Nicolet Welding Competition took place. THS had 5 students compete. Participants had an opportunity to complete primary welds. Local business representatives evaluate and grade the welds. The top 25 welders then move on to the second round of the competition where the students fabricate a weldment by following the welding procedure specification sheet (WPS) and welding blueprint.
- 3/16 - District Forensics was held at Tomahawk High School. It was a busy day of competition with students from many district participating. THS had twenty seven competitors. Twenty two have advanced to the State Competition in April.
- 3/19 - Pops Concert was held in the Tomahawk Auditorium. THS students performed several songs recorded by Queen, Billy Joel and John Denver. Great job to all of the performers.
- 3/22 - THS Spanish classes left for Costa Rica under the supervision of Mrs. Gaedtke and Mrs. Tourdot. Students had an action packed week of with opportunities to learn about culture, provide service through volunteering and enhance their language skills, all while having a great time. Students returned on 3/27.
- 4/3 - Not in Our Neighborhood program took place in the High School LMC. Attendees learned about the latest drug trends in our community and how to talk to teens about substance abuse. This included a teen bedroom display and interactive exhibit that hid items in plain sight. The event was free and the bedroom was open to people ages 21 and up only. Thank you to Dawn Huseby, Stacy Bolder, Brett Susa and Debbie Moellendorf for organizing and operating the event.
- 4/3 - Students from the Tomahawk High School Science Club took a trip to Treehaven for the Ann Agnew Leadership camp to come up with a community give back event. While there, students went hiking outdoors, learned about tapping Maple trees and came up with a great community outreach event. The 16 students decided to host a park and shoreline clean up project in mid May where they will invite the public to come help with clean up efforts and host educational activities for kids.
- 4/4 - The Fine Arts Club is traveling to the Milwaukee Art Museum and Fox Cities Performing Art Center. Students will learn about the various art exhibits on display and attend the show, Come From Away.
- 4/8 - As a part of being a trauma informed school, Amalia's Hope was presented to all high school students and staff in an effort educate teens about the dangers of drugs, inspire teens to make good decisions and motivate teens to overcome peer influence. Brigitte Henschel talks about these topics through her own family experiences.
- 4/8 - 4/10 - Four members of FCCLA have advanced to the State Competition in Wisconsin Dells. Competition categories are Service Project - Occupational and Life Event Planning Portfolio - Occupational.
