Re: Boiler Repair Funds Request

In July 2022 County Maintenance authorized repairs to the boilers in the MDOT building on Airport Road. The repairs were extensive resulting in two invoices:

20172 in the amount of \$8,012.59

20173 in the amount of \$1,112.50

I am requesting line number 295-595-932.001 be increased by \$9,125.09 to cover these repairs. The requested funds will be claimed on the 4th QTR CARES Act reimbursement submission.

Thank you,
