Re: PTO Donation of Funds for Hi / Low Fountain with Bottle Filler

Date: December 13th, 2022

Type of Report: Informational

Purpose of Report:

The purpose of this report is to provide the Board of Education information regarding the PTO requested fund donation amount of \$6,420 to purchase and install an Elkay EZH20 Bottle Filling Station with Bi-Level ADA fountain to replace an existing single use, non-ADA porcelain water fountain.

School PTO's have historically utilized funds to convert older water fountains to fountains with bottle fillers. Accessibility Standards require replacement of a single non-ADA accessible fountain to be replaced with at least two fountains, one at a lower height and the other at standing height.

We ask that the Board of Education of Oak Park District 97 approve the donation in the amount of \$6,420 at its December 13th, 2022 meeting.
