

## **TMS Board Report**

### **April 4, 2019**

**Forward Testing:** TMS will administer the Forward exam later this month. The dates chosen were April 23rd, 24th, and 26th. We are currently making final preparations for student accommodations and make-up times.

**5th Grade Registration:** Registration forms will go home in student folders on April 22nd. In May we will host the 5th grade for a presentation titled "What I Wish I Knew in 5th Grade". In addition to facilitating the presentation, WEB leaders will have an opportunity to meet the current 5th graders and lead icebreakers as well as team building activities. This year we have experienced some very positive results in transitioning students from elementary to middle school. I believe implementing Where Everybody Belongs (WEB) and our changes to the master schedule have been instrumental in producing those results.

**Upward Bound Interviews:** All four students completed the upward bound interviews held on Tuesday April 2nd.

#### **Upcoming Events:**

- Hatchet Pride reward activity scheduled for April 5th. Students have met this quarter's goals and will have an opportunity to choose among various options for reward activity.
