Our Week in a Nutshell:

Reading:

This week we will continue our next reading unit: Main Idea. Students will be expected to determine multiple main ideas from an informational text and support them with evidence. We will also work on honing our summarizing skills to write summaries in paragraph form.

Math:

We will continue our multiplication unit. Students will be expected to multiply whole numbers and decimal numbers using their preferred strategy. *Consider practicing multiplication facts at home!*

Updates:

Be on the lookout for your student's scored work to be coming home. Scored work is the best way to know how your kiddo is doing in class. You can also see all scores updated daily on ParentVue. Remember if you wish to join our class for parties or field trips, please be sure you're on the list in the office!

Nuestra Semana en Pocas Palabras:

Lectura:

Esta semana continuaremos nuestra próxima unidad de lectura: Idea principal. Se espera que los estudiantes determinen múltiples ideas principales de un texto informativo y las apoyen con evidencia. También trabajaremos en perfeccionar nuestras habilidades de resumen para escribir resúmenes en forma de párrafo.

Próximos Recordatorios

- ¡Recuerde, no hay escuela los viernes!

Matemáticas:

Continuaremos nuestra unidad de multiplicación. Se espera que los estudiantes multipliquen números enteros y números decimales usando su estrategia preferida. ¡Considere practicar las tablas de multiplicar en casa!

Preguntas o Comentarios:

Como siempre, ¡nos encantaría saber de usted! Comuníquese por correo electrónico, mensaje de texto o teléfono con cualquier pregunta o comentario.
