October 2025 - Activities Director Board Report

The rush that was September and the start of school has come and passed. We had a wonderful Homecoming Week, we were able to have almost every sport at least one competition that week. We saw great participation from the Student Body throughout the week with the Activities. It was really nice to witness the students leading and positively impacting the events in a manner they wanted to see to celebrate being a Hatchet.

Tomahawk High School:

Cross Country

- The Girls Team has been battling differing injuries throughout the season, we have not quite run at full strength yet this season as a team. We are hoping to be full strength with the Conference and Sectional Meet coming up to defend their titles from 2024 in both respectively.
- The Boys Team has shown signs of improvement throughout the season. When they get off to a good start and follow the race plan, they are having great results. Hoping to challenge Lakeland and Rhinelander for the conference title and state qualification levels.

Football

- Currently are tied for 1st Place in the Great Northern Conference with a record of 6-1 (4-1 GNC)
- Have Merrill and Lakeland to finish the season who are both having strong seasons as well.
- Currently in the new WIAA Playoff Model we look to be a higher seed and host a Level 1 Playoff game on Friday October 24, which will only be the third time in school history that Tomahawk has hosted a playoff game.

Girls Swim and Dive

- Numbers is the name of the game. When compared to other GNC schools, a lot of dual meets in conference standings are won and lost with points gained with a full line up, which unfortunately for us as cost us at times during the season.
- The girls continue to PR in their events as they like the other fall sports, have their GNC Meet and WIAA Sectional Meet coming up at the end of the month.

Volleyball

- Volleyball currently sits at 12-14 (2-4 GNC Tied - 5th Place)
- The Volleyball team has shown signs throughout the season of their athleticism and ability, but as their record indicates they have been riding the rollercoaster most of the season.
- They finish up GNC Round Robin play this week, and the Conference Tournament before starting WIAA Tournament play in two weeks.

Student Council

- I would like to congratulate new Advisor Annabelle Neve and the entire student council for their efforts during homecoming week.
- The Executive Board did an excellent job of communicating with Mrs. Neve and myself on changes they wanted to make for the week and the student body, while being fully involved in the day to day activities.
- Also, special shoutout to Siennah Calkins and Sophia Kiser, as they re-wrote and MC'd the entire Pep Rally. It was one of the better student involvement / excitement at the event in recent years.

One-Act Play

- Like their athletic counterparts, the One-Act Play is enter competition season. They are again hosting the District Theatre Competition on Saturday October 18th. The show is open to the public to attend and view.
- They will look to return to the State Competition for the 10th Straight Year.

E-Sports

- E-Sports are continuing their fundraising efforts to raise money to replace their current computers as they are going out of date. They received a donation from the Star Foundation earlier this month and were presented with the check by that organization.
- Have an in-person competition at RVA on Mon. Oct. 13th

FCCLA

- Will be attending a Leadership Conference this month on October 15, 2025

Tomahawk Middle School:

Cross Country

- Hosts their Invitational Thursday October 9 at the TSD Grounds
- Middle School Great Northern Conference Meet, the Girls finished 5th with Jayda Devillers having a Top 10 Finish. The Boys finished 4th with Max Childers & Blake Diermeier both with Top 10 Finishes.

Football

- 7th Grade is currently at 3-2 on the Season. 8th Grade is at 1-5 on the season. They finish their season today October 7 at Northland Pines.

Girls Swim and Dive

- We were able to solidify a full schedule for the Middle School Swimmers. They conclude their season this Saturday October 11 @ Horace Mann Middle School and the GNC/WVC Middle School Meet.
- The girls have made constant improvements throughout the season including multiple PRs individually and collectively at meets throughout the year.

Volleyball

- The Middle School Volleyball season wraps up regular season this week. The 8th Grade A team will finish the year next Monday October 13 @ DC Everest Middle School for the traditional WVC/GNC Middle School Meet.
- The girls were able to get a lot of playing time with the numbers in the program this season and hopefully transfers to all remaining in the program moving to the High School in the coming years.

Boys Basketball

- Season starts next Monday October 13th.
- We will have a new Coaching staff at the Middle School Level including Jake Blomquist and Eli Wurl. Numbers currently look to have only two (2) teams. We are getting a couple late adds this week prior to the season starting.
