PACE Outreach

PACE continues to hold virtual activities as well as encourage students to attend a variety of virtual activities provided by Alaskan entities.

Advertising for the 2021/2022 school year has begun on Facebook, YouTube, and AdWords. There has been an increase in interested families contacting us through our website and by phone.

Due to current mandates and recommendations, the Anchorage, Ketchikan, and Matsu Learning Centers have limited staffing and are only available by appointment. Staff continues to serve families through alternative modes of interaction.

School Improvement

PACE will hold a virtual inservice April 28th and 29th. Our primary objectives will be:

- *Continued work on school goals*
 - *Review current data and modify goals and objectives*
- *Familiarize educators with new evaluation tools including domains and elements*
- *Systematic processes: creating PRs, ordering materials, and checking-in materials*

PACE staff continue to meet monthly to review school goals, further expand curriculum options, and develop way to help our students and families.

Our Cognia accreditation engagement review will be held during the 21/22 school year.

School Improvement

PACE would like to thank Dusti Cummins for volunteering her time to serve on the PACE Evaluation Tool Committee.
