

Equity & Data Team Agenda

January 4, 2017

Religious holidays?

Action plan for 3 actions:

1. Get equity hiring handbook team back together to review what we have so far and what we need to add.
2. Need to get together a discipline handbook team.
3. Equity Lens team meets

Time to do this would be the entire February meeting and March meeting too.

How do we teach our teachers to be open to when kids are afraid? Stop telling kids not to talk about it.
