The image features a stylized brain shape in the upper half, constructed from a complex network of glowing blue lines and circular nodes, resembling a circuit board or neural network. Below this brain, a glowing blue microchip is centered on a larger, blurred circuit board. The background is a gradient of light blue to white, suggesting a clean, technological environment. The overall aesthetic is futuristic and digital.

good human

The background is a deep blue gradient. In the top right corner, there is a pattern of small, light blue dots that fades out towards the center. The bottom half of the image features several overlapping, wavy bands of varying shades of blue, creating a sense of movement and depth. The text 'be a good human' is centered in the upper half of the image in a clean, white, sans-serif font.

“One way or another, we all have to find what best fosters the flowering of our humanity in this contemporary life and dedicate ourselves to that.”

*Joseph Campbell*

“Relation is basic to education...it is the relation between [the student’s] experience in the world and the new material that differentiates education from training, indoctrination, or a mere display of whatever is new or exotic...*Curriculum is the conversation that makes sense of things.*” – M. Grumet
