The Longfellow and Lincoln school facilities will be unavailable to PDOP during the summer due to construction.

On November 1, 2012, the Board of Education entered into an IGA with the Park District of Oak Park (PDOP) regarding underground irrigation of the Longfellow school field. The irrigation system of the sports field adjacent to Longfellow will be impacted by construction staging activities.

The Board will be asked to authorize administration to partially and temporarily suspend of aspects of each of these agreements at the September 4, 2018 regular meeting.
