Students from three Denton ISD high schools were recently named to the Texas Music Educators Association's all-state choir, all-state orchestra and all-state band. Each of these students went through a rigorous process to earn their musical group's top honor, joining a select few students in the state. The seven Denton ISD students will perform with their top-ranked peers across Texas at the 2016 TMEA State Convention in San Antonio.

Discussion of Assessment Update	<p>Dr. Mike Mattingly presented the Board of Trustees information about the latest work with the DISD Assessment and Grading Policies and Guidelines. Teachers have the discretion to reassess papers that are facilitated through the writer's workshop model. Teachers were concerned with the amount of time it took to provide effective feedback on a summative piece of writing each time a student elected to reassess. To address this problem, teachers have continued to be trained on facilitating writer's workshop in the ELAR classroom. The idea is to offer feedback and reassessment opportunities during the writing process instead of waiting for the final paper to be submitted.</p> <p>This item is for information only.
