

## **AP/IB Results 2019**

Advanced Academics presents the 2019 data report for AP-IB exams taken during the 2018-2019 school year. The report includes the AP testing results percentage of students who reached the passing score of 3 or higher. We added the subject tests administered and how our students scored on each exam. Also included is the number of IB candidates who received the IB diploma.

Additionally, you will find a summary of AP professional learning for summer/fall 2019, along with the Advanced Placement/Academics Action Plan for 2019-2020.
